

Uprights: 7" wide

Pillars of the pool structure, they are reinforced with embossed patterns that insure stabilization of the seats. They have profiled and harmonious designs for better rigidity and a perfect look.

Bottom tracks:

They now come with exterior shields giving them strength and style while locking the wall into place. The outside surface of the tracks prevent the wall from coming out when the ground heaves.

Wall: 54" height

Color and design: The Signature wall matches the Pearl structure.

Outside connectors:

Made of Monprene thermoplastic, they are flexible and perfectly fitted into the pool structure to strengthen its circular form.

A unique type of innovation

Top seats: 9" wide

Their profiled circular form provides superior elegance and sophistication. Curved top seats offer a perfect look and an outstanding rigidity.

Top tracks:

Top tracks are 1-1/4 inch wide. They safely secure the vinyl liner in position and stabilize the wall while insuring its constant circular orientation.
